Press Release
The Opening of Souk Medina Bar and Restaurant

Samir Mahdi opened his first restaurant in 1998 and since then has benefited from tremendous success. The secret behind his success is simple; He created a fun restaurant where people had and continue to have a thoroughly enjoyable and memorable time. Enjoying an excellent array of delightful exotic dishes, whilst sampling some of the finest made cocktails in town. Combine this with great value for money, it is no wonder that Samir is now expanding due to increasing demand.
To satisfy this demand for 'Souk' he is to open his second restaurant Souk Medina just a few hundred yards from his existing venue.

On December the 1st Souk Medina will open. This is a substantially larger venue with a capacity of an impressive 150 people enabling Souk to cater for much larger events and parties. Souk Medina is open from 11am until 12.00am. Samir will be sticking to his core values of serving fantastic North African food at great value prices. The venue boasts not only a restaurant but also a tranquil atmospheric tea room and a cocktail lounge. Samir's aim is to suit all needs. Whether it be an aromatic cup of mint tea or a flavoursome dish with a devilishly naughty cocktail you desire. The choice is yours.

In both the tea and cocktail room, one can find yourself sinking into the irresistibly comfortable cushions, been swept away by the candle lit mood, sipping on your desired drink, whilst awaiting your chosen flavoured shisha . On entering the downstairs restaurant, the décor is that of a cave, with its low seating and luxurious cushions on the floor. The restaurant boasts an impressive set menu or you can go A la Carte and enjoy a bottle from the extensive wine list.

So whether you be a busy Londoner, a passer by, or a visitor. Souk Medina is the perfect place to escape from everyday life into an ambient Moroccan oasis.
